**Officers:** Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through character development, creative and critical thinking, interpersonal communication, practical knowledge and vocational preparation.

**Members:** As we work toward the accomplishments of our goals, we learn cooperation, take responsibility, develop leadership and give service.

## Closing Ceremony

**President:** Members, please stand.

FCCLA members, we are challenged to accept the responsibility of making decisions that affect our lives today and the world tomorrow. Let us repeat our creed.

**Members:** We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for Americas future. Homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams. We are the Family, Career and Community Leaders of America. We face the future with warm courage and high hope.
